

11th Language Arts 2018-19 Suggested Summer Reading

This summer there is NO REQUIRED reading. However, in order to be prepared for the school year, we recommend that you read at least one book on your own for fun. Below you will find a list of suggested books. Some books are books from the 10th grade curriculum and others are American Literature which is the focus of 11th LA. Please consider reading some of these classic texts so that you are ready to read in the Fall. We look forward to meeting you in August!
