Honor Grad Status: UPDATED for 2018-2019 school year

High school graduating seniors who have an overall “A” average, 90% or greater by the 12 week grading mark in 2nd semester or at the end of 2nd semester, will be classified as an honor graduate. No honor graduates will be determined at the end of first semester except for December graduates. A violation of the Code of Academic Integrity during junior or senior year, which results in suspension, will result in loss of honor graduate status. Honor graduate status includes Valedictorian and Salutatorian. Valedictorian and Salutatorian will be determined at the end of first semester. In order to be recognized at Honors Night, a student must have reached the 90.0 mark by the 12 week grading mark in 2nd semester.
